AHD Camera

Features

- 2MP Resolution
- Quad Output CVBS / AHD / TVI / CVI
- 2.5mm Lens
- Small Size for Covert Applications
- OSD Controller Built Into Cable

This compact AHD camera is available as standalone camera or integrated into one of our specialty enclosures. The camera output is selectable between multiple formats (CVBS / AHD / TVI / CVI) using the OSD control cable.

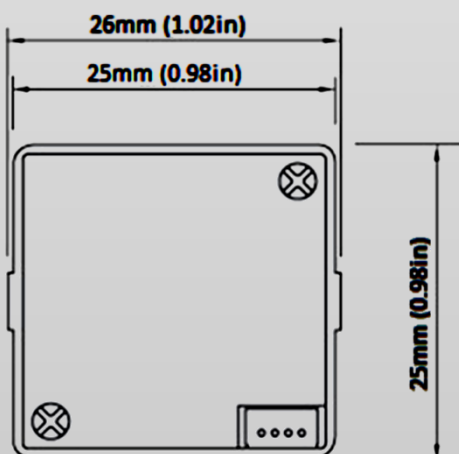

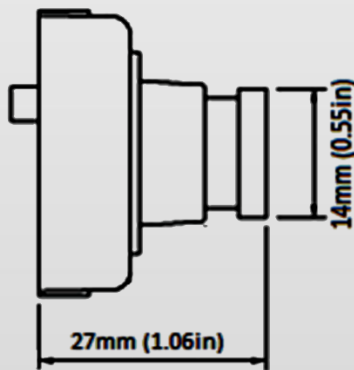

The high resolution imager and compact size make it ideal for discreet surveillance. The camera operates on 12VDC. A 2-axis mounting bracket is included.
